## How to Watch Your Videos

### 1. SigningTime.com

If you are connected to the internet through a desktop computer, phone, tablet, or even a game system, simply open a browser window and type in

<http://mysigningtime.com>

Sign in (upper right) to see your videos:

### Quick Tips:

- It works like Netflix, so you must be online
- Go to My Library to see your products
- Go to Store to buy new products
- Go to My Account to see past purchases or to manage your All-Access Subscription
- **Videos** and **eBooks** can be viewed, but not downloaded (see app info below)
- **Music** and **PDFs** can be downloaded

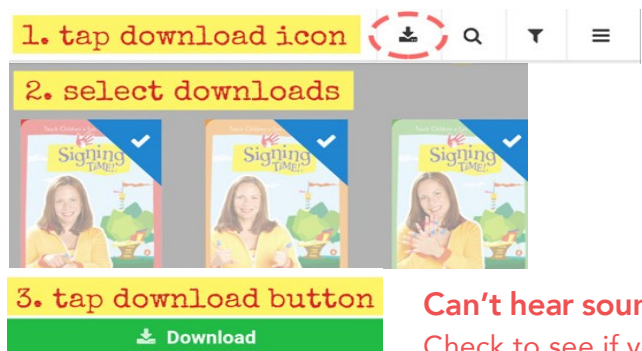

### 2. MySigningTime Mobile App

With the MySigningTime app, you can stream your videos when you're online, or you can download videos for offline viewing! Get the Signing Time TV at the app store (iOS, Android). For Kindle Fire, visit [www.signingtime.com/watch/#app](http://www.signingtime.com/watch/#app)

### Quick Tip:

To download videos and songs to your devices:
